

X12N Announces Version 7030™ Public Review and Comment Cycle – 270/271

X12N has announced the Public Review and Comment Period for Version 7030™ of the Eligibility/Benefits 270/271 Technical Report Type 3. Also available for public review and comment is a new Technical Report Type 2, a companion document to the 270/271 TR3, entitled **Code Value Usage in Eligibility Benefit Inquiry and Subsequent Response**. This document provides details on code usage in the Eligibility Benefit Inquiry and Response for codes that belong to code sets external to the TR3.

- **Cycle 6: July 16, 2018 through November 16, 2018**
 - TR3: Health Care Eligibility/Benefit Inquiry and Information Response (270/271)
 - TR2: Code Value Usage in Eligibility Benefit Inquiry and Subsequent Response

The following cycle remains unscheduled:

- **Cycle 7: TBA (unscheduled)**
 - Application Reporting for Insurance (824)
 - Health Care Claim Request for Additional Information (277RFI)
 - Additional Information to Support a Health Care Claim or Encounter (275)
 - Additional Information to Support a Health Care Services Review (275)

PUBLIC COMMENT PERIOD – KEY FACTS

- X12N and Change Healthcare are encouraging implementers to review and comment on the Technical Reports so that concerns and issues can be addressed prior to their publication.
- Public Comment Periods for the Technical Reports will be staggered.
- Public Comment Periods will be held for all 7030™ Technical Reports, including transactions not mandated under HIPAA.

Change Healthcare is actively participating in the standards development and public comment process and strongly encourages our customers to participate.
