**\*\*\*IMPORTANT NOTICE\*\*\***

**Ohio Bureau of Workers' Compensation Pilot Testing Notification**

Effective October 28<sup>th</sup>, 2018, the Ohio Bureau of Workers' Compensation (BWC) will transition to a new Pharmacy Benefits Manager (PBM), Change Healthcare.

Change Healthcare will be conducting pilot testing for the new POS system **beginning October 1<sup>st</sup>, 2018 and testing will be completed by October 12<sup>th</sup>, 2018**. Pharmacy registration will be sent the week of September 24<sup>th</sup>.

Changes to the payer sheet for data submission will be effective for all Ohio Bureau of Workers' Compensation enrolled pharmacies on October 28<sup>th</sup>, 2018.

**Below are the changes identified with the new POS deployment.** Guidance for all of the POS changes are included within the payer sheets, as well as in this informational letter.

The payer sheet can be found on the <https://www.changehealthcare.com/support/customer-resources/state-payer-sheets> website.

363-2H	COMPOUND INGREDIENT MODIFIER CODE	
<b>Business Rule Changes</b>		
	Pharmacy Network	To be paid for a claim the pharmacy will need to be in Change Healthcare and BWC Network.

## GENERAL INFORMATION AND GUIDANCE

### ***Transmissions***

Refer to the NCPDP *Telecommunication Standard Implementation Guide* Version D. Ø for the structure and syntax of the transaction(s) within the transmission.

### ***Segments***

Each segment is listed as mandatory, situational, or optional for a given transaction in the NCPDP *Telecommunication Standard Implementation Guide*. If the segment is mandatory for a given transaction, that segment must be sent. If the segment is situational, the situations outlined in the guide must be followed for use.

Change Healthcare encourages providers to participate in testing before the October 28<sup>th</sup>, 2018. Pharmacy registration will be sent the week of September 24<sup>th</sup>.
